Led by the American Heart Association, and supported by WCCHD, Smoke-Free Round Rock is close to making Round Rock the first Williamson County city to have a comprehensive smoke-free ordinance. WilCo Pet. 1 Commissioner Terry Cook sits on the Central Texas Clean Air Coalition and is a strong supporter of this and other smoking cessation initiatives such as The Great American Smoke Out on Nov. 16 and Texas Quitline. All WCCHD clinics are promoting the Great American Smoke Out on Nov. 16.

12) Discussion and possible action on confirmation of appointment of new Local Health Authority

Chapter 121 of the Texas Health and Safety Code requires Local Health Departments to have a licensed physician, appointed by the non-physician director, confirmed by the governing body of the Local Health Department. 15) Discussion and possible action on Adoption of 2018 Line Item Budget

Executive Director John Teel presented the draft, proposed line item budget for the upcoming fiscal year. Of note: still some frozen positions, not recommending transfer of money to savings account – we have 120 day fund balance. Employee recognition funding of $3K, EHS software. January meeting will request a commercial pool/hot tub program – not currently budgeted. Item of $200K for move to 355 Texas Ave. (transfer of capital funds). Member government contributions increase of $120K, new PESS CSR position, 2% salary merit increase for all employees.

Marlene McMichael questioned how $200K moving expenses will be spent. Virginia Headley responded, estimate for moving per sq. ft., medical equipment, lobby furniture. Joanne Land asked about IT wiring costs (paid in construction budget, not our expense), Ehab Kawar asked if we could afford more of a salary increase. Mr. Teel said if the board would authorize a withdrawal from savings fund. Joanne Land asked what the fund balance would be at the end of 2017 - with $3.5M (each 1% increase costs $58,400). Marlene McMichael asked if the 1% could be a “bonus” – Richard Hamala commented that he would have to look into the legal aspects of a “merit bonus” – not a merit increase. Virginia Headley would know how much unspent funds in February. Ehab Kawar was in support of the 2% merit + 1 time 1% payment.

Motion to Adopt 2018 Line Item Budget as drafted, research a one-time payment option in January meeting
Moved: Marlene McMichael
Seconded: Joanne Land
Vote: Approved unanimously
