

WILLIAMSON COUNTY & CITIES HEALTH DISTRICT

CLINIC SCHEDULE

Please call individual offices for appointments or further information about Health District services. Charges vary according to the service provided, however, services are not denied if unable to pay. Some services require eligibility screening.

A parent or legal guardian must accompany minor children (less than 18 yrs. old) for immunizations.

Services include: Immunizations/Testing and Treatment of sexually transmitted diseases/Testing and treatment of TB and TB infection

ALL CLINICS ARE CLOSED FOR LUNCH FROM 12:00pm - 1:00pm

Immunization days are often busy; we reserve the right to pull in sign in sheets when we feel we have reached the maximum number of clients that we feel we can safely vaccinate within our hours of operation.

TB Skin testing is not typically offered on Thursdays.
