

Attention: Adult Immunization Clients

Williamson County & Cities Health District is pleased to be able to offer adult vaccines at a reduced rate. We continue to encourage adults to review their vaccination records to ensure they are "up to date" on all necessary vaccinations.

The fee for adult vaccines will increase to **\$ 20.00** effective **9/8/08**.

No one will be turned away for inability to pay.

If you have questions or concerns please feel free to contact Jennifer Jackson, BSN, RN, Director of Nursing at 943-3660
