*K & N Management recognized for their Commitment to Quality and Food Safety
by the Williamson County Board of Health*

May 26, 2010 (Williamson County) –

K & N Management, dba Rudy's BBQ and Mighty Fine Burgers, represented by Jerry Pruiett, was recognized at the May 6th Williamson County and Cities Health District Board of Health meeting for receiving the 2010 Texas Award for Performance Excellence and their commitment to quality and food safety.

The award was established by the governor's office in 1993, and K & N Management is the first food service business to receive the award. The criterion for earning this recognition is based on performance using the Baldrige Criteria for Performance Excellence.

Allyson Young, Human Resources Director for K & N Management, stated that "The end result was not an award application process but a major overhaul in our business practices." All areas of the corporate function are assessed, from the evaluation of senior leadership and strategic planning to evaluation of team members and guest services. K & N Management has a passionate belief that quality is everything and puts quality first in its people, products, and facilities.

The impact of their performance efforts on food safety is reflected by the scores received by Rudy's BBQ and Mighty Fine Burgers on their inspection reports. They consistently hold themselves to a high standard.

Board of Health Chair, Dr. Arlen Zander, and Deputy Director, Anita Martinez, presented a certificate congratulating K & N Management to Mr. Pruiett at the meeting.
