FOR IMMEDIATE RELEASE

Mass immunization clinics for uninsured/underinsured children in Williamson County

August 8, 2011 (Williamson County) –

The Williamson County and Cities Health District is partnering with the Round Rock Express and the Cedar Park Regional Medical Center to offer low cost immunizations to children in Williamson County that are uninsured or underinsured. The cost is \$10.00 per child no matter how many vaccinations are needed but no one will be turned away for an inability to pay. Cash or checks only will be accepted. Clinics will be held at two locations:

- August 19 at the Dell Diamond located on Hwy 79 in Round Rock from 10am-6pm
- August 20 at Cedar Park Regional Medical Center, 1401 Medical Parkway in Cedar Park, from 9am-1pm

A parent or guardian must accompany the child or the accompanying adult must have written permission from the parent/guardian to sign consent. A current shot record must be brought as well.

The quick reference chart included with this release may be used by parents and other caregivers to assess a child's immunization needs for school entry based on the grade he or she will be entering.

For more information on immunization requirements go to <http://www.dshs.state.tx.us/immunize/default.shtm>. To learn more about WCCHD immunization clinic hours or other available programs visit *your public health department* at www.wcchd.org.

*The reference chart summarizes the vaccine requirements in Title 25 Health Services, §§ 97.61-97.72 of the Texas Administrative Code and does not list all exceptions or variations. Please take your child's complete vaccine record to your provider to ensure appropriate vaccine administration.

Immunization Requirements 2011-2012 School Year

3 year olds and 4 year olds (PRE K)

✓HIB and PCV *not* routinely administered to

children ≥ 5 years of age.

4 doses of DTP, DTaP, DT
